| <b>5/8" &amp; 3/4" Meter w/ box</b>                       |                       |
| Water Main Tap Connection                                 | \$750.00              |
| Inlet Service Manifold OR In-place Service Tap Connection | \$300.00              |
| <b>1" Meter w/ box</b>                                    |                       |
| Water Main Tap Connection                                 | \$850.00              |
| Inlet Service Manifold OR In-place Service Tap Connection | \$410.00              |
| <b>1-1/2" Meter w/ box</b>                                | \$1,350.00            |
| <b>2" Meter w/ vault</b>                                  | \$6,000.00            |
| <b>3" Meter w/ vault</b>                                  | \$9,300.00            |
| <b>4" Meter w/ vault</b>                                  | \$11,000.00           |
| <b>6" Meter w/ vault</b>                                  | \$17,500.00           |
| All Others  | Estimated Actual Cost |

**NOTES:**

1. The Board reserves the right to determine the size and type of all meters installed.
2. The cost associated with taps on 16-inch diameter and larger water mains will be required in addition to the tap fee.
3. \$20.00/Linear Foot of 6" C900 Water Main Extension.

### FIRE PROTECTION INSTALLATION & TAP FEES

|                          |             |
|--------------------------|-------------|
| <b>2" Meter w/ vault</b> | \$8,800.00  |
| <b>3" Meter w/ vault</b> | \$9,100.00  |
| <b>4" Meter w/ vault</b> | \$9,300.00  |
| <b>6" Meter w/ vault</b> | \$11,300.00 |
| All Others               | Actual Cost |

**NOTES:**

1. The cost associated with taps on 16-inch diameter and larger water mains will be required in addition to the tap fee.
2. Fire protection tap fees are based on actual cost and subject to change.

### SANITARY SEWER TAP FEES

|   |                       |
|---|-----------------------|
| <b>4" Sewer Main Tap (New, Repair, &amp; Replace)</b>     | \$700.00              |
| <b>4" Sewer Manhole Tap</b>                               | \$700.00              |
| <b>New Manhole Installation (Typical Depth 6' to 10')</b> | \$2,800.00            |
| All Others  | Estimated Actual Cost |

**NOTES:**

1. The sewer tap fee is required for the installation of new taps, repairs on existing taps, and replacement of existing taps.
2. For taps of 6-inches or larger, a new manhole located on the development property is required.
3. For manholes greater than 10' in depth, the cost will be based on the estimated actual cost as determine by GWWSB.
4. \$28.00/Linear Foot of 8" Sanitary Sewer Main Extension.
